

ROSANNA JARVIS

ABOUT ME

Dedicated educator with 25 years of experience in international chemistry instruction, specializing in GCSE, IGCSE, A-Level, and IB DP curricula. Proven track record of motivating students to achieve academic excellence, resulting in placements at prestigious universities. Over 10 years of experience as an Extended Essay and Internal Assessment supervisor for the IB program, with expertise in crafting university reference letters.

HOBBIES AND INTERESTS

- Cooking
- Reading
- Hiking
- Family activities

PROFESSIONAL DEVELOPMENT

- Edexcel A2 Chemistry Course, London
- Assessment for learning (including flipped classroom pedagogy), Dragonfly Course
- Improving marking, feedback and assessment, Dragonfly Course
- Assessment for learning using technology
- Inthinking IB course cat.1, Barcelona
- Inthinking IB course cat. 2 and 3, Stockholm
- ECIS Child protection

EDUCATION

Leiden University, Leiden, the Netherlands, 01/1999

Teacher qualification for secondary School: Lerarenopleiding, equivalent to PGCE, UK

Leiden University, Leiden, the Netherlands, 01/1998

Doctoraal in Chemistry: Chemistry

Doctoral degree (equivalent to Master's degree) in Chemistry from the prestigious van Boom Laboratory of Organic Chemistry

Universidad de Alcalá de Henares, Alcalá de Henares, Spain, 01/1997

Work experience in the department of organic chemistry, research as Erasmus student

Gymnasium, the Hague, the Netherlands, 01/1993

High school diploma

- Subjects: Dutch, English, Latin, Mathematics, Physics, Chemistry, Biology.
- GPA: Cum Laude
